United Nations Educational, Scientific and : World Heritage Convention Cultural Organization

Il logo viene utilizzato per identificare i Siti protetti dalla Convenzione del 1972 ed iscritti nella World Heritage List.

L'emblema è rotondo, come il mondo, a indicare la tutela globale per il patrimonio di tutta l'umanità. È composto da un cerchio - rappresentante la natura e i suoi doni – che abbraccia un quadrato, rappresentante l'uomo, la sua cultura e le sue abilità.
